

Nothing Guards Like **Fleetguard**.

As a filtration company that manufactures its own media, Cummins Filtration knows the science from the inside out. With a full line of filters specifically engineered for a wide range of systems, your customers get advanced design and high quality performance, providing the ultimate protection for all of their equipment.

Meets OEM specifications - Fleetguard engineers all products to meet or exceed OEM specifications to ensure engines and other systems get maximum life.

Backed by the best warranty in the business - With the most inclusive and comprehensive warranty in the industry, customers can have total confidence in their purchase.

Filters for every fleet - Fleetguard has over 8,300 products covering the widest range of air, lube, fuel and hydraulic filters in the heavy duty industry.

Systems approach - We don't just provide parts. We are a comprehensive supplier to support the maintenance of your equipment.

Why **All-Makes?**

Fleetguard filters allow your dealership to offer all-makes solutions, no matter the brand or type of equipment customers own. It's your key to increasing sales and profits by ensuring your customers purchase all filters from you – for their entire line of equipment. Become a valued supplier by carrying Fleetguard products, the brand your customers trust.

One-stop-shop

Fleetguard filters help you become a one-stop-shop for your customers, allowing you to maximize your current customer base and attract new customers in diverse markets you may not already reach.

Build customer loyalty

Offering an all-makes filter program helps you build customer loyalty and boost repeat business. Plus, it gives you an opportunity to up-sell other products, enhancing your sales and profitability.

Easy and convenient

Your customers will appreciate the convenience of getting products from one source, with just one numbering system to remember. You'll enjoy the opportunity to sell more filters to more customers.
